

1:1 Mentorship

Small Group Outings & Activities

Whole-Community Workshops

We all need Community.

Community for Youth (CfY) combines youth mentorship with community-building to help Seattle high school students become their best selves and create lasting connections.

Join this one-of-a-kind community to **build a relationship with a mentor**, get **support with your goals**, and do tons of **fun activities**. And there's always **food** at our events!

Follow us on Instagram!

@COMMUNITYFORYOUTH

Scan to fill out an interest form, and we'll reach out to you!

Must be a current or incoming High School student to apply
